Benefit Summary

Remarks for accessing Benefits:

1. This Benefit will not be payable for Hospital Accommodation at VIP / Deluxe Room.
 2. Referral by a Physician shall be required.
 3. Prior Authorization by the Company or AIAS Provider shall be required.
 4. For Hospital admission in the United States, pre-approval by the Company shall be required. Benefit shall not be payable if pre-approval is not acquired.
 5. All benefits shall be subject to the Overall Maximum except Medical Evacuation & Repatriation Benefit.
 6. Waive referral letter for all Specialists Consultation.
 7. Telemedicine Service excludes medication delivery charge.
 8. For claim submission, waive referral letter for Physiotherapy (Non-Network), Chiropractic Treatment, Psychiatric Treatment / Psychological Consultation.
 9. One visit per day.
 10. We provide hospital deposit guarantee or payment of hospital deposit (up to HKD/MOP 10,000) for the insured member when he / she presents the China Assist Card at any of our selected hospitals in Mainland China (except Hong Kong and Macau) for medically necessary hospital admission of an Insured Person who is traveling in China for no more than 90 days.
 11. X-rays will be limited to four Bitewings and six Intra Oral per year of insurance.
 12. Prolonged periodontal treatment limit of one course per year of insurance.
 13. No waiting period / on delivery mode and cover both in-patient and out-patient cost, includes elective caesarian sections.
 14. Complications of Maternity - If an Insured Person shall be confined in a Hospital for treatment due to any of the following conditions arising from pregnancy,
 - miscarriage or non-elective abortion.
 - non-elective Caesarian Section where it can be confirmed by the Physician the procedure is necessary in order to safeguard the health of the mother and the infant.
 15. Please show your HealthCard at the time of admission (applicable for Hong Kong only).
 16. You have the right to request us for providing the list of network doctor.
 17. "Reimbursement percentage" shall mean the percentage of eligible expenses responsible by the Company. The eligible expenses payable shall first be multiplied by the reimbursement percentage and then be capped by the maximum benefit limit (per visit or per day) as well as the maximum number of visit under each benefit. For example, for a benefit with HKD/MOP350 maximum limit per visit and 80% reimbursement percentage, the insured person incurs a claim of HKD/MOP 500 under the benefit. We shall pay HKD/MOP350 (HKD/MOP 500 X 80% = HKD/MOP 400, but capped at HKD/MOP 350), while the insured person pays the remaining HKD/MOP 150.
 18. "Copay" shall mean a fixed amount that the insured person must pay for the outpatient service as specified in the benefit schedule above directly to the relevant network provider either at the time of service or when billed by such network provider (whichever is applicable). For example, if the copayment for outpatient consultation is HKD/MOP 30, the insured person is responsible to pay HKD/MOP 30 to the relevant network provider directly for the outpatient service received.
 19. This benefit shall cover inpatient and outpatient treatments of infertility and services to create a pregnancy up to the maximum benefit set forth for Fertility Treatment in the Benefit Summary including:
 - a) Consultation, investigation and prescription of Physician on fertility treatment (including related injections, drugs, lab fees and X-ray fees for treatment of medical condition)
 - b) In Vitro Fertilisation (IVF)
 - c) Intracytoplasmic Sperm Injection (ICSI)
 - d) Gamete Intra Fallopian Transfer (GIFT)
 - e) Zygote Intra Fallopian Transfer (ZIFT)
 - f) Artificial Insemination (AI), also known as Intrauterine Insemination (IUI) and cryopreservation
 - g) Embryo transport (from one physical location to another)
 - h) Collection, preparation and storage of donor ovum and/or semen
 - i) Egg frozen expenses if the Insured Person elects to preserve the egg for delayed pregnancy
- No benefit shall be payable for:
- i) treatments not listed above
 - ii) infertility assistance for reversal of earlier sterilisation and/or treatment of miscarriage in relation to failure of infertility treatment
 - iii) any expenses in relation to fertility treatment once the Insured Person has become pregnant

Notes:

- If an insured member is covered for less than a full policy year, the maximum number of visits and maximum benefit per policy year entitled shall be pro-rated to the portion of the policy year for which such insured member is covered.
- For important information including use of HealthCard, terms and notes on medical benefits, general exclusions and claim procedures, please access AIA Mobile App or its portal version to view the Insured Member Guide by clicking "e-Document" in the menu bar, then "Group Insurance" and selecting "e-Guide" under it.
- All above figures are expressed in the following currency: HKD.

The final interpretation of the benefit coverage or its applicability is subject to the provisions of the master policy issued by AIA International Limited (Incorporated in Bermuda with limited liability).
